what
future
do these
hands
hold?

Nestled in a quiet neighborhood on 64th Street between Cactus and Shea, teachers at Sequoia Elementary are busy educating children from pre-K to 5th grade. As an excelling A rated public school in the Scottsdale Unified School District, children spend their time expanding their minds, learning and growing. Our mission is enacted in our daily acts and in our beliefs.

One United Community
Lifelong Learning

The Sequoia staff is committed to educating the whole child. Our educators are well versed in differentiating instruction and challenging young minds. We are looking forward to an exciting year with you. Together, we share a purpose; to advance the education and growth of the most important people in your lives – your children.

Sequoia offers a fine education where teachers open young minds to a world of knowledge and wonder. You will find that the Sequoia staff and community work together to provide a wide variety of opportunities that make an incredible difference in children's lives. We take our responsibility seriously and work in partnership with you for this important undertaking.

School's Honors and Awards

- ★ A++ (AZ Educational Foundation)

- ★ Excelling/A Rated (AZ Department of Education)
- ★ NCEA Higher Performing School 2011, 2012, 2013

- ★ There are 14 languages spoken by our student body.
- ★ The majority of our full time teachers have been here for 10 years or more.

The Principal - Dr. Braney

Bridget Braney is a veteran educator with 12 years of teaching experience and 14 years as a principal. She attended Smith College on a scholarship and completed her doctorate at the University of Hartford in CT, where she was awarded the university's Excellence in Educational Leadership Award. In 2010, her school was awarded a Blue Ribbon School of Excellence. In 2011, she came to Sequoia where she continues to make a difference in the lives of children.

I always tell people that I love Sequoia most of all for the amazing community and committed staff. We open enroll and would never consider another school.

- Ruth P.

Kindergarten

The full-day Kindergarten experience at Sequoya is an amazing year of beginnings.. It is the start to a formal education as students learn to read, write, add, and socialize with their peers. Our Kindergarten teachers are all highly qualified and experienced in the area of early childhood education. As a team, they have held over 500 parent/teacher conferences in the last 5 years, and have tied at least 2 billion shoes!

Our Kindergarten Teachers

Allison Burns has been teaching in Scottsdale for 17 years. She attended NAU where she received a bachelor's degree in Elementary and Special Education as well as a master's degree in Elementary Ed. She has one son at NAU. Reading and traveling are some of her favorite activities when she is not at school.

Tami Good has been teaching since she taught her first piano student at the age of fifteen. She attended Arizona State University and received

a Bachelor of Arts degree and a Master's in Education degree from the University of Phoenix. Tami has three children including two teenagers and a toddler. She attends her daughter's Chaparral Varsity Volleyball games and her son's JV soccer. She loves to play with her 2 year old daughter, read, and do hot yoga in her spare time.

Teresa Hasenmiller graduated from the University of Iowa with a B.A. in Elementary Education. She taught first grade for six years at Riverside School in Phoenix, then stayed home to raise her children. She has three daughters, which attended Scottsdale Schools, including Sequoya. Teresa returned to teaching in 2009. She enjoys outdoor activities, reading, and spending time with her family.

Katy Holmes has called Scottsdale her home since 1968 and attended Cocopah K-8, Chaparral, NAU and University of Phoenix. She has three children, two in college and one at Chaparral. Mrs. Holmes loves teaching, hiking, and football. Go Chaparral Firebirds, NAU Lumberjacks and Northern Colorado Bears!

The Association of Parents and Teachers

Sequoia's Association of Parent and Teachers (APT) is integral to the overall success of our school. Our purpose is to support a high educational standard for the school and to further a spirit of cooperation among teachers, parents, and residents of our community. Beyond fostering a strong sense of community, APT sponsored events and fundraisers provide much needed funding to maintain the school's high educational standards.

We are proud to be able to contribute an average of \$50,000 annually to school programs such as art, band, music and physical education, classroom supply purchases for every teacher, classroom technology upgrades, reading and math tutors, teaching assistants, and counseling services. This could not be achieved without the combined efforts of a diverse group of supporters - working parents, stay-at-home parents, moms, dads, grandparents. Being involved with the APT is a great way to utilize your skills and talents, make new friends, have fun, and support our school!

Recently funded APT events and projects

- ★ Welcome Back To School Night
- ★ Western Round Up
- ★ Children Theatre
- ★ Book Fairs
- ★ Thanksgiving Luncheon
- ★ Health Screening
- ★ Yearbook
- ★ Family Nights
- ★ Silent Auction
- ★ Young Authors Day
- ★ Artist In Residence
- ★ Art Walk
- ★ Movie Night Madness
- ★ New Kindergarten Swings
- ★ Classroom Assistants & Tutors
- ★ Counseling Services
- ★ Smart Board Response Clickers
- ★ Tablet Purchases

“Sequoia has an excellent reputation amongst not only neighboring public schools, but also amongst private and charter schools. It is a very close community of friendly and caring families.”

- Lisa H.

Student Involvement

As students develop, they have opportunities to model and demonstrate leadership skills through a variety of clubs:

- ★ Student Council
- ★ Peer Mediators
- ★ CARE Committee
- ★ Sequoya TV
- ★ Computer Lab Club
- ★ Green Thumb Club
- ★ Tech Team
- ★ Buddy Classes (between grade levels)

From my perspective, the individual approach to students worked more than great. If there are students who require special attention, because of their cultural background, language, interests, etc. they will find it for sure. I also think that you create a very unique combination of high academic standards and very safe and friendly environment. That's what parents of 5 y.o. kids want...

- Alex L.

Before and After School Care (Project S.A.F.E)

A supervised before and after school care program is available on campus for students. Activities include art, science, cooking, gardening, dance, P.E./sports, games/ challenges, and homework/study time. S.A.F.E. is committed to coordinating efforts between school staff and the S.A.F.E. program to ensure your child's success. For more information, please contact Phyllis Hutchinson at 480.484.3208 or phutchinson@susd.org.

After-School Student Enrichment

A variety of enrichment programs are offered to our students through various companies, both on and off campus, throughout the school year - Spanish, Chinese, Young Rembrandts, Field Hockey, After Cool Sports, Softball, Field Hockey, Athletes In Training, Hip Hop, Track, Keyboard, Engineering Fundamentals with Lego, Chess, Etiquette, After Cool Fitness, WMA Soccer, Rock Climbing, Oxford Learning, Golf, Ice Skating, Karate... See www.susd.org/communityschools for more information.
